# COMPAMY PROFILE

All Time Care Catalog

Guangzhou Zhongkebaishi Health Industry Co., Ltd. is one of the five factories invested by Baishi group, it is a high-tech production base with CMP standards. The factory is located in Guangzhou Conghua District, with modernized factory buildings over 10,000 square meters, class 100,000 dust-free purification work-shops, and more than 20 advanced production lines.

We mainly develop and produce Women's intimate care products, skincare, and essential oil. All our products are produced under the standard of G M P and have been exported to Asia, Southeast Asia, Mid-east, Europe, United States, etc. Our Group has 200 staff separated into five divisions - OEM, design, marketing, business school training, and visual. Our professional R & D department provides strong technical supports, enabling us to accomplish challenging OEM and ODM projects. We provide our customers with one-stop service - "Choose products— Formulation selection —Packing design — Purchasing packing material— Confirm order— Production control— Quality inspection – Transportation".

We guarantee the products' safety and quality with international standards. Wel-come to cooperate with us, Baishi spirit is the " health of ten million people."
